

“Your Premier Supplier For Sheet Extrusion”

At GEM Plastics, we know that a clean kitchen is a safe kitchen for you and your family. Studies show that the average kitchen harbors more germs than ANY other room in the house, including the bathroom.* That’s where GEM Plastics can help.

GEM Cutting Board™ is our high grade HDPE sheet perfect for use in food preparation areas and is naturally defensive to germs and bacteria preventing hundreds of possible contaminants from spreading. **GEM Cutting Board™** can be made with **GEM Guard™**, which is our anti-microbial additive that has proven to reduce bacterial contamination by a staggering 99.3%.

GEM Cutting Board™ is used for cutting surfaces of all types: cutting boards, kitchen islands, file boards, cutting blocks, and much more.

Make it safe...GEM Safe!

FDA APPROVED
